Next Meeting

Wednesday, April 4, 2018 • 12:00 – 2:00 p.m.
Center for Healthy Communities at The California Endowment, Big Sur
1000 N. Alameda Street
Los Angeles, CA 90012

MISSION STATEMENT

The mission of the Child Care Planning Committee is to engage parents, child care providers, allied organizations, community, and public agencies in collaborative planning efforts to improve the overall child care infrastructure of Los Angeles County, including the quality and continuity, affordability, and accessibility of child care and development services for all families.

¹ The Los Angeles County Child Care Planning Committee serves as our County’s Local Planning Council (LPC).

Meeting Minutes – February 7, 2018

Members in Attendance (32)				
Parents	ECE Program	Community Agency	Public Agencies	Discretionary
Alejandra Berrio	Lindsey Evans	Michaela Ferrari	Martha Borquez for Ranae Amezquita	Kimberly Dobson-Garcia for Kelly O'Connell <i>1st Supervisorial District</i>
Mona Franco	La Tanga Gail Hardy	Ritu Mahajan	Teresa Figueras	Dianne Philibosian <i>3rd Supervisorial District</i>
Tara Henriquez	Monica Barahona for Andrea Joseph	Christine Manley Martinez	Daniel Orosco	Michael Shannon
Mabel Muñoz	Ricardo Rivera	Cyndi McAuley	Laurel Parker	Sarah Soriano <i>4th Supervisorial District</i>
Nellie Ríos-Parra	Reiko Sakuma	Melissa Noriega	Maria Vera for Alicia Rivas	Fiona Stewart
Ernesto Saldaña	JoAnn Shalhoub-Mejia	Joyce Robinson	Mariana Sanchez	Julie Taren <i>3rd Supervisorial District</i>
Andrea Sulsona			Jenny Trickey	

Guests and Alternates: Rose Alvarez – WeeCare, Kevin Dieterle – Alternate for Mabel Muñoz, Jessica Chang – WeeCare, Sally Durbin – Teaching At The Beginning, Edmund Flores – Fairplex Child Development Center, Heather Harris – Lynwood Unified School District, Terry Johnson – Mexican American Opportunity Foundation, Shoghig Khadarian, CA Department of Social Services/Community Care Licensing Division, Alejandra Albarran Moses – Long Beach Department of Health and Human Services, Kevin Lee – California Food Policy Advocates, Maria Noriega – Lynwood Unified School District, Helen O'Connor – Department of Public Health, Ariana Oliva – Child360, Barbara Ortega – Human Services Association Pasitos ECE Program, Eddy Ramirez – Camino Nuevo Charter Academy, Rodgers Shakhavaladyon, Department of Public Social Services, and Lisa Wilkin – Child Development Consortium of Los Angeles

Staff: Michele Sartell

I. Welcome and Introductions

Tara Henriquez, Vice Chair, opened the Child Care Planning Committee (Planning Committee) meeting at 12:03 p.m. She welcomed members and guests and asked Lindsey Evans to read the mission statement. Members, alternates and guests were asked to make self-introductions. Nellie Ríos-Para then read the opening statement.

II. Approval of Minutes

Nellie reviewed the minutes from January 3, 2018 meeting and asked for a motion to approve. A minor grammatical error on page 4 was noted. *La Tanga Gail Hardy made the motion to approve the minutes as corrected; the motion was seconded by Alejandra Berrio. The motion passed with abstentions from Kimberly Dodson-Garcia, Teresa Figueras, and Laurel Parker.*

III. Public Policy Report

Michele Sartell, staff to the Planning Committee, referred meeting participants to the materials packet for copies of the following: PowerPoint presentation, Budget Summary and legislative matrix. Beginning with the Governor's proposed budget for 2018-19, Michele provided context by noting the Governor's continued commitment to fiscal restraint and building California's Rainy Day fund while investing in ongoing priorities such as public education, infrastructure and debts/liabilities reductions. The Governor's proposals for early care and education contain no infrastructure reforms and investments are limited to the multi-year plan specified in the 2016-17 budget agreement to increase the number of full-day preschool spaces provided by Local Education Agencies (LEAs) and raise reimbursement rates. In addition, the budget includes a cost-of-living adjustment (COLA) and increases funding for CalWORKs Stages 2 and 3 Child Care to reflect anticipated caseloads.

New this budget cycle is the Governor's budget proposal to establish the Inclusive Education Expansion Program to increase access to subsidized inclusive early care and education programs for children birth to five years old in high need communities based on local needs assessments. One-time competitive grants and priority funding would be awarded to LEAs representing a consortium of partners. Michele added that the budget proposes funding for a voluntary home visitation program targeted to young parents in the CalWORKs program.

Referring to the legislative matrix, Michele reminded meeting participants that the matrix reflects bills introduced yet not enacted during the first session of the two year session for 2017-18 as well as bills introduced during the Second Session to date. Bills from the first session that did not pass out of the house of origin by January 31st are considered dead; the last day for legislators to introduce new bills is February 16th. She announced that the Joint Committee on Legislation is scheduled to meet on Thursday, February 15th, during which they will continue to review and prioritize bills, including any that may warrant elevating to the Planning Committee and Policy Roundtable for Child Care and Development with proposals for pursuits of position by the Board of Supervisors.

IV. Local Child Care and Development Planning Council (LPC) Updates

Due to time constraints, Michele referred to the PowerPoint presentation included in the meeting packets. She noted that the California Child Care Coordinators Association, a membership association of LPC coordinators across the state, meets quarterly to address issues pertaining to meeting the mandates under their contracts with the California Department of Education (CDE). A representative of CDE's Early Education and Support Division typically attends the meeting with updates pertinent to the LPCs and is available to discuss issues that may arise with meeting the mandates. An item of interest included in the presentation regarding the LPC Learning Modules was raised and whether membership would be able to access them. Michele relayed that the Learning Modules were developed in partnership between the CDE and the LPCs and are in final review for posting on a website in the near future. She added that the modules may be useful tools for orienting new members to the LPC and for training purposes of the membership as a whole.

V. Announcements and Public Comment

- Kevin Lee of California Food Policy Advocates (CFPA) relayed that CFPA is exploring advocating for increases to reimbursements in Child and Adult Food Program and adding cultural competency elements. CFPA is interested in hearing from early care and education stakeholders.
- The Long Beach Early Childhood Education Committee is holding its annual symposium on April 21, 2018 at the Long Beach Convention Center. Visit <http://lbece.org/> for more information.

- The Infant Development Association has scheduled a workshop entitled “Feeding Challenges and Solutions: An Interdisciplinary Approach to Successful Mealtimes for Infants and Toddlers” for February 26, 2018 at the Braille Institute located at 741 North Vermont Avenue, Los Angeles, CA 90029. For more information and to register, visit <http://www.idaofcal.org/events-southern-california-chapter>.
- Early Learning Advocacy Day is scheduled for March 1, 2018 in Sacramento. The event, sponsored by several statewide groups, will include legislative visits at the Capitol. For more information, visit www.caeyc.org.
- Nellie made mention of the QRIS Architects work to continue informing the merging of QRIS activities into one system. As the Planning Committee’ representative to the Policy Roundtable for Child Care and Development (Roundtable), she announced that the Roundtable meets the second Wednesday of the month from 10:00 a.m. to 12:00 p.m. and meetings are open to the public. The Roundtable is currently keeping abreast of opportunities to leverage Measure H efforts including building connections between families experiencing homelessness and early care and education services as well as leveraging Mental Health Services Act/Prevention and Early Intervention funds to support early childhood mental health consultation in partnership with the field.

VI. Adjournment

The meeting was adjourned at 1:57 p.m.

Speaker Bio • March 7, 2018

ADEN MICHAEL – LOS ANGELES COUNTY DEPARTMENT OF MENTAL HEALTH, CHILDREN'S SYSTEMS OF CARE ADMINISTRATION

Aden Michael is a Clinical Lead for IFCCS (Intensive Field Capable Clinic Services) at Los Angeles County Department of Mental Health/Prevention Bureau Administration along with five other clinicians who oversee one of the three Intensive Mental Health Services provided for Department of Children and Family Services (DCFS) connected Youth and Families. IFCCS is a relatively new program that attempts to strengthen the quality of mental health services for DCFS connected youth drawing on the Shared Core Practice Model team approach while honoring the voice and choice of families. In addition to IFCCS, Aden is currently working on several Prevention Initiatives including School Based Tier 1 Universal Services and Early Childhood Mental Health Consultation. Prior to IFCCS, Aden worked for several years as a Psychiatric Mobile Response Team member providing Crisis Intervention and linkages for all age groups. Aden holds a Bachelor of Arts in Psychology and a Master of Social Worker degree where she developed an interest in the CSEC (Commercial Sexual Exploitation of Children) population and completed her dissertation on providers who were tasked with delivering services to this underserved community.

BILL ANALYSIS

AB 2292 (Aguilar-Curry) – Child Care Reimbursement Rates and Start Up Costs for Programs Serving Infants and Toddlers: Would amend the Child Care and Development Services Act, which establishes a system of subsidized child care and development services, by 1) increasing the adjustment factor applied to the reimbursement rate for infants and toddlers served in a center or family child care home; 2) establish the Classroom Planning and Implementation Grant Program to reflect the additional start-up costs of opening new general child care and development centers and the California State Preschool Program classrooms or converting existing classrooms to serve different age groups of children; and 3) codify and expand the Family Child Care Recruitment and Training Fund with \$6 million over five years to recruit a new generation of family child care providers in California.¹

Introduced and Amended Dates: Introduced: February 13, 2018
Amended: Pending Finalization and Posting

Office for the Advancement of Early Care and Education Analyst: Michele P. Sartell
(213) 974-5187

Status: Assembly Committee on Human Services
Hearing: April 10, 2018

Sponsors: California Child Development Administrators Association,
Child Care Resource Center, First 5 CA

Support: Child Care Alliance of Los Angeles, ZERO TO THREE, Go Kid Inc.

Opposition: None listed

Summary:
This bill would amend existing law as follows:

- Increases the adjustment factor applied to the Standard Reimbursement Rate (SRR) from 1.7 to 2.44 for centers providing subsidized early care and education services to infants from birth to 18 months of age.
- Increases the adjustment factor applied to the SRR from 1.4 to 1.83 for centers providing subsidized early care and education services to toddlers from 18 to 36 months of age.
- Increases the adjustment factor applied to the SRR from 1.4 to 1.7 for family child care homes participating in CDE-funded Family Child Care Home Education Networks and providing subsidized early care and education services to infants and toddlers from birth to 36 months of age.

¹ Pending amendments to the bill will reflect the proposed codification and expansion of the Family Child Care Recruitment and Training Fund as alluded to in item 3.

The bill would add to Education Code as follows:

- Establishes the Classroom Planning and Implementation Grant Program to be administered by the Superintendent of Public Instruction.
- Allows applicants seeking a contract with the California Department of Education (CDE) or existing contracting agencies to apply for a grant under the program for up to 25 percent of the contractor's annual contract amount or proposed contract amount for child care and development facility renovation, classroom furnishings and equipment, instructional materials, staff recruitment, staff training and professional development costs, and other start-up costs.
- The SPI may award grants upon an appropriation by the Legislature.
- In addition, would codify and expand the Family Child Care Recruitment and Training Fund dedicating \$6 million over five years to targeted outreach, recruitment, training, supplies and resources for startup costs to recruit a new generation of family child care providers in California.

Analysis:

The Child Care and Development Services Act ("the Act") establishes a system of subsidized child care and development services for children from birth through 12 years old of low-income families. It requires the Superintendent of Public Instruction to implement a plan for assigning reimbursement rates per unit of average daily enrollment to be paid by the state to agencies contracting with the CDE to provide the subsidized services to income eligible families. Existing law provides adjustment factors to be applied to reimbursement rates for certain populations of children inclusive of infants, toddlers, children with exceptional needs, dual language learners, children at risk of abuse and neglect, and children with severe handicaps.

The Act also establishes the Child Care Facilities Revolving Fund, which provides funding for loans for the renovation, repair or improvement of an existing building to make it suitable for licensure for child care and development services. In addition, it allows for the purchase of new relocatable child care and development facilities for lease to local education agencies and contracting agencies that provide subsidized early care and education services to income eligible families.

This bill, if passed, would accomplish three objectives: raising the adjustment factors for serving infants and toddlers to more closely match the cost of providing quality services; creating a grant program for classroom infrastructure supports and start-up costs needed to increase access for infants and toddlers; and codifying and expanding the recruitment and training fund to increase the access for infants and toddlers in family child care homes.

California currently administers two distinct reimbursement structures for subsidizing child care and development services for low-income families, the Standard Reimbursement Rate (SRR) for California Department of Education (CDE)-contracted center-based programs and the Regional Market Rate (RMR) for the voucher-based Alternative Payment (AP) and CalWORKs child care programs. CDE-contracted agencies are reimbursed at a daily rate of \$77.25 for infants and \$63.62 for toddlers (adjusted for age from the base rate of \$45.44). CDE-contracted programs are required meet Title 5 standards that exceed basic health and safety standards under Title 22 for licensed programs.

Licensed centers serving children subsidized with an AP or CalWORKs child care voucher are reimbursed at the 75th percentile of the 2016 RMR survey, with the intent that eligible families may have access to 75 percent of providers in their community. The maximum daily RMR for a licensed center providing full-day services to an infant or toddler is \$96.53. Licensed non-CDE contracted centers are required to meet Title 22 standards for basic health and safety.

The following table illustrates the current reimbursement rates with the adjustment factors compared to the proposed increases.

Children Meeting Specified Criteria	Adjustment Factor ²		Adjustment Factor as of \$45.44	
	Current	Proposed	Current	Proposed
Infants (birth – 18 months)	1.7	2.44	\$77.25	\$110.87
Toddlers (18 – up to 36 months)	1.4	1.83	\$63.62	\$83.16
Family Child Care Homes (birth up to 36 months)	1.4	1.7	\$63.62	\$77.25

The standard reimbursement rate (SRR) is \$45.44 per child day of enrollment (cde) or \$11,360 per annum based on 250 days of operation (Education Code Section 8265).

Los Angeles County is experiencing a severe shortage of subsidized services for infants and toddlers in licensed centers and family child care homes, which was exacerbated during the recession when programs could no longer afford to provide the services and either converted classrooms to serve preschool age children or closed their doors. According to the needs assessment completed in 2017 by the Child Care Planning Committee, only 15 percent of the need for subsidized infant and toddler care can be met with the current supply.³ The needs assessment suggests the higher cost of care compared to serving preschool age children as a key issue impacting the supply, some of which is attributed to required smaller teacher to child ratios, appropriate physical environments that are designed for younger children that also meet space requirements for accommodating cribs and napping areas, compensation of early educators based on education and experience, and professional development opportunities for early educators that focus on promoting early brain development in our youngest learners within the context of a nurturing environment and in partnership with parents and other primary caregivers. Compounding the challenge of access are losses in family child care spaces since 2011, a critical resource for families with infants and toddlers offering more flexible hours in a home environment.

In addition to the adjustment factors, there is a severe shortage of new classroom spaces and facilities for center-based programs. Furthermore, the cost of modifying classrooms and/or facilities is often prohibitive.

This bill, if passed, will move reimbursement rates closer to the cost of providing high quality early learning environments that improve access to infants and toddlers and promote their optimal growth and development while supporting low-income working families. The adjustment factors reflect the recommendations of the American Institutes for Research as necessary to

² The proposed adjustment factors listed in this analysis are taken from the revised fact sheet that reflects proposed amendments to the bill and are therefore higher than in the bill originally introduced on February 13, 2018.

³ Los Angeles County Child Care Planning Committee. *The State of Early Care and Education in Los Angeles County – Los Angeles County Child Care Planning Committee 2017 Needs Assessment (Executive Summary)*. March 2017.

meet California's need for infant and toddler services. Furthermore, the bill will provide opportunities to open new classrooms and centers for children from birth to five years old build through the Classroom Planning and Implementation Grant Program pending an allocation of funds by the Legislature. The grant program will make it possible for operators to purchase age-appropriate facilities and provide infrastructure supports inclusive of appropriate equipment and materials and professional development for their early educators.

Recommended Position for Board Approval:

The Policy Roundtable for Child Care and Development (Roundtable), with input from the Child Care Planning Committee, recommends a position of "support" for AB 2292 that, if passed, will increase the rate of reimbursement paid to CDE-contracted early care and education centers and family child care homes serving infants and toddlers. In addition, it will create a grant program to fund facility renovation and development and infrastructure support intended to increase the supply of infant and toddler spaces in center-based programs and provide funding for the recruitment and training of additional family child care providers. This position is consistent with County policies as follows:

1.3 Child Care and Development

3. Support efforts to develop and sustain a well-educated and highly skilled professional workforce prepared to serve the culturally and linguistically diverse child and family populations of Los Angeles County.
5. Support efforts to adequately fund high quality early care and education services for all children from low and moderate income families.
8. Support efforts to ensure that vulnerable children and their families have access to consistent, uninterrupted subsidized early care and education services.
9. Support efforts to expand the supply of appropriate early care and education services through facility development in communities with a significant shortage of these services.

MEMBERSHIP RECRUITMENT FOR LOS ANGELES COUNTY CHILD CARE PLANNING COMMITTEE – 2018-19

The mission of the Child Care Planning Committee (Planning Committee) is to engage parents, child care providers, allied organizations, community-based organizations, and public agencies in collaborative planning efforts to improve the overall child care and development infrastructure in Los Angeles County, including the quality and continuity, affordability, and accessibility for all families. It serves as the County's Local Child Care and Development Planning Council with mandates established by State legislation, including assessing local needs and conducting a county-wide strategic plan for child care and development.

The Planning Committee is now recruiting members for Fiscal Year (FY) 2018-19 and hopes that you will take the time to complete and submit the attached application. Applications are due by Monday, April 23, 2018. In addition to meeting the required categories for membership described in Section B of the application, the Planning Committee is committed to ensuring that the geographic, ethnic and cultural diversity of our County is reflected in the overall membership.

The Planning Committee's Governance Work Group reviews all applications and presents a recommended slate to the full membership at its June meeting. Upon adoption, the Planning Committee forwards the recommended membership slate to the Los Angeles County Superintendent of Schools and County of Los Angeles Board of Supervisors for final approval.

We encourage applicants to carefully assess both your commitment to the Mission Statement and ability to participate in Planning Committee activities. Regular participation in the monthly meetings and in at least one Work Group is required of all members; for more information regarding membership requirements, see the Policies and Procedures section of the Membership Manual:

http://cao.lacounty.gov/ccp/pdf/CCPC/CCPC_MembershipManual_Comprehensive_10Aug17.pdf.

It is very important that every member be a working member. Members may serve for up to two consecutive three-year terms. **CURRENT MEMBERS MUST RESUBMIT AN APPLICATION EACH YEAR.**

Additional information about the Planning Committee, including its work products, is available at the Office for the Advancement of Early Care and Education website at www.childcare.lacounty.gov; click on "About Us" to locate the link to the "Child Care Planning Committee". Please feel free to contact Michele Sartell by e-mail at msartell@ceo.lacounty.gov or by telephone at (213) 974-5187 if you have questions. All Planning Committee and Work Group meetings are open to the public. Your participation regardless of membership is welcome.

Membership Application – 2018-19

Section A. Applicant Information

Applicant Name:			
Organization/Program Name:			
Mailing Address:			
Telephone Number:		E-mail Address:	

Section B. Categories of Membership

Twenty percent of Child Care Planning Committee (Planning Committee) members must represent each of the following categories: child care consumer, child care provider, community representative, public agency, and discretionary. **Place a check mark next to all of the categories that apply to you and provide the information requested.**

- Child Care Consumer*** – currently use child care or have used it within the past 36 months for a child from birth to 12 years old.
- Child Care Provider** – check the type of care you provide:
 - Licensed family child care
 - Licensed center contracted by the California Department of Education (CDE)
 - Licensed center, not contracted by the CDE
 - License-exempt child care
- Community Representative** – excluding agencies that contract with the CDE to provide child care and development services
- Public Agency** – including City, County, State and local education agencies
- Discretionary/Other**

Section C. Member Responsibilities

Members are expected to attend up to ten monthly meetings and an annual orientation and/or retreat. Regular meetings are usually held the first Wednesday of the month from 12:00 p.m. to 2:00 p.m. unless otherwise indicated from September through June. **Each member is required to participate in at least one Work Group.** Indicate the Work Group in which you are most likely to participate:

- Access/Inclusion** – informs geographic priority setting for State funding, reviews data related to the Needs Assessment for child care and development and reviews requests for changes in service priorities. In addition, promotes the inclusion of children at risk for or with disabilities and other special needs in typical child care and development programs and encourages the coordination of services.

* A **Child Care Consumer** may be a biological parent, adoptive parent, legal guardian or other person serving as the child’s primary caregiver, such as a relative or foster parent, in absence of the parent.

- Governance** – develops annual membership slate, reviews and revises Planning Committee policies and procedures, participates in annual self-review and implements aspects of the Strategic Plan related to the Planning Council Role.
- Joint Committee on Legislation** – reviews, prioritizes and makes recommendations to the Planning Committee and the Policy Roundtable for Child Care and Development on legislative and administrative policy issues relating to child care and development.
- Quality** – creates plans to implement the Strategic Plan in areas related to enhancing the quality of child care and development services available to all families, including informing the development and implementation of a unified quality rating and improvement system.
- Workforce** – develops plans to implement the Workforce area of the Strategic Plan and serves as an advisory to the Investing in Early Educators Stipend Program.

Section D. Alternate

Each member must appoint an Alternate from the same membership category to take the member’s place in your absence. Designate your alternate by name and provide their contact information.

Alternate’s Name:			
Organization/Program Name:			
Mailing Address:			
Telephone Number:		E-mail Address:	

Membership Category – check all that apply to your proposed alternate:

- child care consumer, child care provider, community representative, public agency
- discretionary

Section E. Additional Background Information *(If prefer, attach your resume.)*

Describe all relevant professional and community organizations in which you are currently involved (i.e. Boards, Commissions, etc.)

Completed applications may be sent by U.S. mail, e-mail or facsimile by **Wednesday, April 23, 2018** to:
