\* Most Employee Child Development Centers are voluntarily participating in [Quality Start Los Angeles](http://QualityStartLosAngeles.org), LA County's Quality Rating and Improvement System (QRIS). These sites are working to elevate their quality to serve our youngest learners and their families. Participating sites are rated every two years by an external observer using the [California Quality Continuum Rating Matrix](http://CaliforniaQualityContinuumRatingMatrix.org). A site is rated from 1-5 and the rating determines incentives and capacity-building efforts to enhance program quality and outcomes for children and families. For more information, visit <http://qualitystartla.org>.

† The National Association for the Education of Early Childhood (NAEYC) accredits early childhood programs based on 10 standards of quality, designed to help families make the right choice when they are looking for a child care center, preschool, or kindergarten. For more information, visit [www.naeyc.org](http://www.naeyc.org).
