Overview

Based on the legacy of the Investing in Early Educators Stipend Program (AB 212), Workforce Pathways LA is a comprehensive workforce development model that works in partnership with Quality Start Los Angeles (QSLA), the County-wide quality improvement consortium. The Workforce Pathways LA Stipend Program (Stipend Program) provides financial incentives (stipends) to early educators for achieving professional milestones like attending 21 hours of California Department of Education (CDE) professional development, completing college courses, obtaining their first Child Development Permit, or achieving a college degree. Stipends are available for LA County early educators who work in center-based care or family child care homes where most of the children are subsidized by the California Department of Education/Early Learning and Care Division (CDE/ELCD).

The instructions serve as your guide for completing your application to the *Stipend Program*. It is critically important that you **read the instructions** carefully and provide all information and documents as requested. Note that each program period is separate; therefore, you must submit all supporting documents requested for this program period. **Applications that have missing information and/or missing documents will be considered incomplete and will be disqualified.**

The instructions also provide you with information on the process leading up to awarding stipends, including the appeal process and a detailed timeline.

Applying to the *Stipend Program* is a two-part process:

- 1. Application:** Determines that you meet the employment eligibility criteria.
- 2. Verification:** Verifies that you have met your professional growth plan and continue to meet the employment criteria. **See Step 2, item 2 under Eligible Coursework for information.**

STEP 1: Determining Eligibility¹ (see note below)

To be eligible to apply for a stipend, you **must**:

1. **Create a Registry Profile:** Create or **update** your California Early Care and Education Workforce Registry (CA ECE Workforce Registry) profile. To register, go to www.caregistry.org. *Applications without Registry ID numbers will be disqualified;* **AND**
2. **Work with Children Receiving Subsidy:** Work in child development center with contract from CDE/ELCD **OR** work in a licensed center in which the majority (51% or more) of the children receive a child care subsidy from a CDE/ELCD-contracted agency at the time you submit your application; **AND**

- Have been licensed and operating for one year or employed in a family child care home in the County of Los Angeles from **August 1, 2020 through March 1, 2021**

STEP 2: Setting a Professional Growth Goal

A professional growth plan is a document that an early educator creates, reviews often and updates as needed to guide your future professional growth. As a part of Workforce Pathways LA, applicants will be asked to select **one professional growth goal** you would like to achieve during the program period. The professional growth goals for Workforce Pathways LA that participants can choose from include:

1. Completing 21 hours of professional development
2. Completing college course (only unit bearing courses are applicable)
3. Obtaining an initial Child Development Permit
4. Achieving an associate or bachelor degree

As part of the Workforce Pathways LA application, all applicants must complete and upload a Professional Growth Plan and **select one goal for the current program year**.

STEP 3: Meeting the Stipend Requirements

Each applicant must select **one professional growth goal** to focus on during the program period. To earn a stipend, choose the appropriate professional growth goal below and follow the criteria.

¹ State law limits eligibility to the *Workforce Pathways LA - Stipend Program* to persons serving a majority of children receiving CDE/ELCD subsidies. Staff working in Head Start Programs are ineligible to apply unless the classroom in which they work is blended with a State Preschool program.

1. Professional Development

- a. If the applicant's selected goal is to attend professional development, participants must complete 21 hours of professional development funded by the CDE (i.e. West Ed training, Family Child Care at Its Best Training, etc.) or Care Courses within the program period (**complete after March 31, 2020 and before March 31, 2021**).
- b. The professional development should be related to the participant's day to day work with children.
- c. During the verification process, certificates of completion must be uploaded to the CA ECE Workforce Registry with the number of hours of the training to qualify for a stipend.

2. College Courses

- a. If the applicant selected college coursework as a goal, then you must complete at least three (3) semester units (4.5 quarter units) or a maximum of six (6) semester units (9 quarter units) of eligible coursework at a community college, college, or university; **AND**
- b. Complete the class(es) after **March 31, 2020 and before December 31, 2020**; **AND**
- c. Pass the class(es) with a grade of "C" or better; **AND**
- d. Upload your transcript(s) or grade reports during verification process.

All coursework must be unit-bearing and fulfill the requirements for a degree in child development, this includes extension and continuing education courses (Care Courses). If you have any questions regarding coursework eligible for the Stipend Program, you are encouraged to contact Renatta Cooper by telephone at (213) 639-6464. Eligible coursework is limited to the following five categories:

- If you are not proficient in English, you may take English-as-a-Second Language (ESL) classes at a community college for stipend credit if directed to do so by your college. This option is intended for applicants needing to improve their English language skills in order to enroll in college classes toward earning a degree in child development.
- If you do not have a child development permit issued by the California Commission on Teacher Credentialing (CTC), you should take required child development classes, or the required general education courses. If you already have a permit, you may take classes needed to upgrade or renew your permit.
- If you do not have an Associate Degree (AA/AS), you should take child development, English, math or general education classes; or prerequisites to classes that are transferable for a degree in child development at a four-year college. Check with an advisor at your college or university before enrolling in a class if you are not sure it is a prerequisite or transferable class.
- If you are taking classes at a community college with the goal of transferring to a California State University (CSU) or University of California (UC) school, your educational program should indicate the AA-T or AS-T degree, whichever the school offers. This degree will ensure that the classes you take are transferrable and will give you preferred enrollment at some colleges. You should check with an academic advisor at your college to make sure you are enrolled in the correct program and that your classes fit the requirements for your degree. Acceptable degrees for the Workforce Pathways LA - Stipend Program include: Early Childhood Education, Early Special Education, Child Psychology, Child Development and Human Development.
- If you are taking classes at a four-year university with the goal of obtaining a bachelor (BA/BS) degree, classes should be in General Education towards your degree or support a degree in child development or a related field
- If you have a BA/BS or higher, you should take college or university classes that are directly related to your work with children and families in a child development program. Sample topics include special needs children, diversity, dual language learners, parent relations, adult supervision, program evaluation, and advanced child development. Unit bearing extension or continuing education courses can be counted as eligible only for individuals who already hold a BA/BS or higher.

3. Child Development Permit

- a. If the applicant's goal is to obtain an initial Child Development Permit during the program period (**completed by March 31, 2021**), contact the California Commission on Teacher Credentialing (CTC) by visiting their website at www.ctc.ca.gov. Click on "Credentialing", then "Child Development Permits" and follow the instructions for obtaining or upgrading your permit. As an alternative, contact the child development department at your community college. Community colleges can often process permit applications more quickly than the CTC. In addition, the Child Development Training Consortium offers support to eligible persons applying for, renewing, or upgrading their permits; more information is available at www.childdevelopment.org.
- b. A stipend will **only** be awarded for a participant's first Child Development Permit. Renewals or upgrades for Child Development permits are not eligible.
- c. During the verification process, participants will need to upload a copy of your permit to qualify for the stipend.

4. Associates/Bachelor's Degree

- a. If the applicant's goal is to achieve a degree, participants must complete the degree within the program period (**after March 31, 2020 and before March 31, 2021**).
- b. Associate and bachelor degrees will be accepted for the graduation stipend only if the degree has been completed and the applicant has a copy of their degree or transcript showing degree has been conferred. During the verification process, participants will need to upload a copy of their degree to qualify for the stipend. Acceptable degrees for the Workforce Pathways LA - Stipend Program include: Early Childhood Education, Early Special Education, Child Psychology, Child Development and Human Development.

If you meet the eligibility criteria **and** understand the stipend requirements continue to Step 4.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
