

Membership Application for Parents/Primary Caregivers – 2022-23

Introduction

The Child Care Planning Committee (Planning Committee), staffed by the Office for the Advancement of Early Care and Education located within the Los Angeles County Department of Public Health, is made up of parents/consumers who currently use early care and education services or have used it within the past 36 months for a child from birth to 12 years old (may be a biological parent, adoptive parent, legal guardian or other person serving as the child’s primary caregiver, such as a relative or foster parent in absence of parent), early education providers (centers and family child care), public and community agencies, Board of Supervisor appointees, and other discretionary members.

The Planning Committee, through a contract with the California Department of Social Services, is responsible for identifying issues faced by families for finding early care and education services to inform planning and actions that better meet the needs of families throughout Los Angeles County. Your voice as a parent or primary caregiver is important to making sure that policies and programs are meeting your child’s and family’s needs. The Planning Committee meets monthly from September through June on the first Wednesday of the month from 12:00 – 2:00 p.m. (See reverse side for meeting dates.) Members are expected to attend up to 10 monthly meetings and an annual orientation and/or retreat.
