Coronavirus Update: Telebriefing for Early Childhood Education

Public Health Officials Provide Update on Novel Coronavirus (COVID-19) (focus on getting ready to vaccinate young children)

The single most important thing we can do as a community to reduce our risk of another surge is to decrease our numbers of unvaccinated people. Public Health remains committed to prioritizing helping unvaccinated people get their first doses of vaccine countywide. Public Health will conduct a telebriefing to update you on the latest COVID-19 response, and mitigation efforts, and we'll answer your questions and listen to your feedback.
