

Equity Statement

The Policy Roundtable for Child Care and Development (PRCCD) firmly believes that all young children in LA County have an undeniable right to develop and thrive without explicit and implicit biases. Existing systemic educational and societal barriers have led historically marginalized communities to lack access to education, healthcare, and other services necessary for their growth and development.

Acknowledging and eliminating the various layers of inequities is essential and central to ensuring that children, families and child care providers will be recognized as valued members of society. PRCCD will also work diligently to make a collective impact in advancing equity for child care providers by influencing and championing training, development opportunities and a diverse workforce.

To accomplish this, we must normalize a holistic, intentional investment in children, families and child care providers. As influencers, we strive to create conscious, collaborative communities of leaders, policy makers, educators and parents. The PRCCD is dedicated to challenging one another to engage in a full spectrum of diverse perspectives amongst subject-matter experts and the community at-large. PRCCD is committed to being the catalyst of advocacy for equitable public policies and supporting and sustaining effective quality early care and education through recommendation to the Los Angeles County Board of Supervisors.
