

# Child Care Planning Committee: California School and Childcare Immunization Related Requirements and Resources

September 6, 2023

Los Angeles County, Department of Public Health  
Vaccine Preventable Disease Control (VPDC) Program  
Email: [SchoolSupport@ph.lacounty.gov](mailto:SchoolSupport@ph.lacounty.gov)  
213-351-7800

## Presentation Outline

- Brief summary of 2022-2023 childhood immunization assessment and reporting results for Los Angeles County
- Demonstration of Los Angeles County Assessment Data Dashboard
- Available resources

# Annual Childhood Immunization Assessment and Reporting Activity

- All California childcare facilities and schools are required by law to assess and electronically report the immunization status of children entering **Childcare, Kindergarten, and 7<sup>th</sup> grade** on an annual basis.
- Information provides estimates of coverage of vaccinations required to enter childcare facilities, kindergarten, and 7<sup>th</sup> grade.

# Childhood Immunization Reporting Coverage in 2022-2023 - Childcare Centers, Kindergarten, and 7<sup>th</sup> Grade by SPA

SPA	Childcare			Kindergarten			7th Grade		
	Reported	Not Reported	% Reported	Reported	Not Reported	% Reported	Reported	Not Reported	% Reported
1	59	13	82%	84	1	99%	64	3	96%
2	486	75	87%	390	10	98%	203	21	91%
3	425	44	91%	329	7	98%	194	17	92%
4	237	38	86%	203	8	96%	107	9	92%
5	214	21	91%	130	4	97%	70	12	85%
6	225	59	79%	206	15	93%	124	16	89%
7	258	28	90%	233	4	98%	108	10	92%
8	261	44	86%	191	7	96%	108	9	92%
<b>Total</b>	<b>2,165</b>	<b>322</b>	<b>87%</b>	<b>1,766</b>	<b>56</b>	<b>97%</b>	<b>978</b>	<b>97</b>	<b>91%</b>

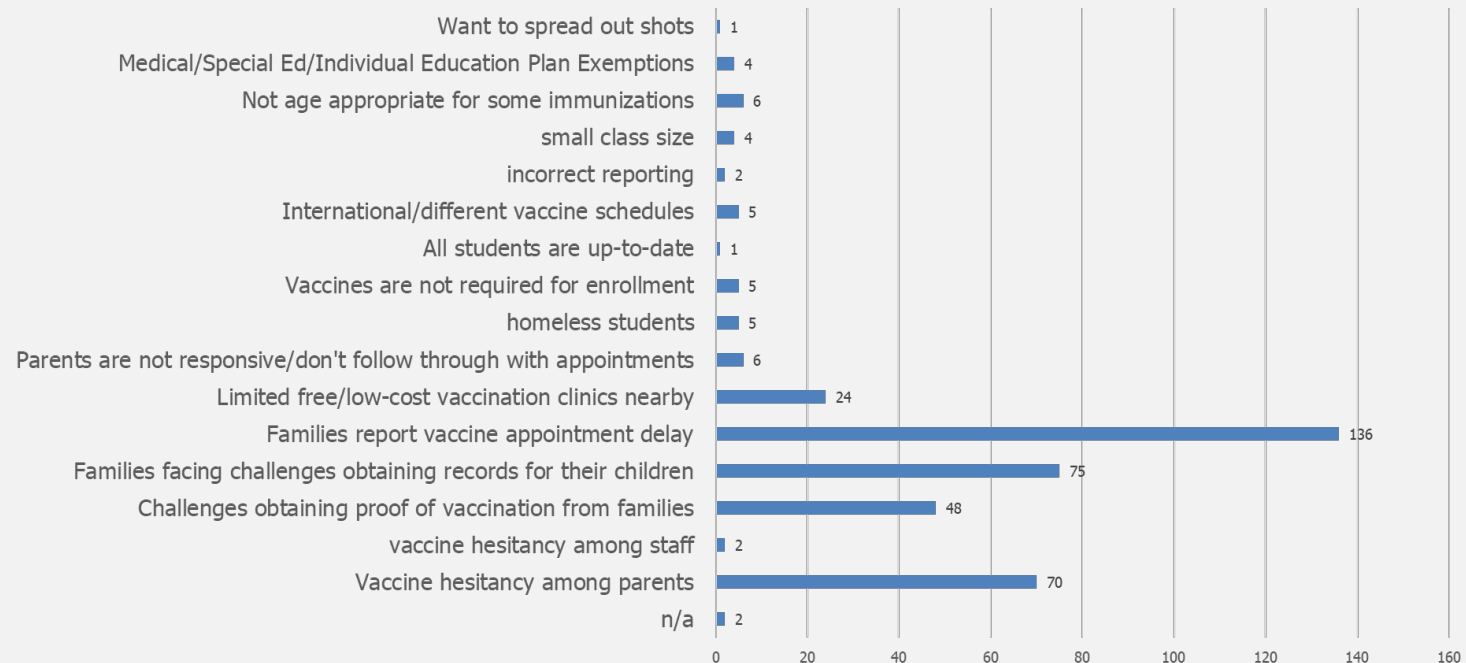

## DPH Data to Action Plan for Schools

- DPH conducted a survey to follow-up with schools that report >10% of their kindergarten cohorts conditionally reported or overdue for required vaccines
- Surveys links were sent via email in April 2023 and follow up calls were made to individual schools
- 201 responses were received for the 2022-23 school year
  - 55% public and 45% private schools

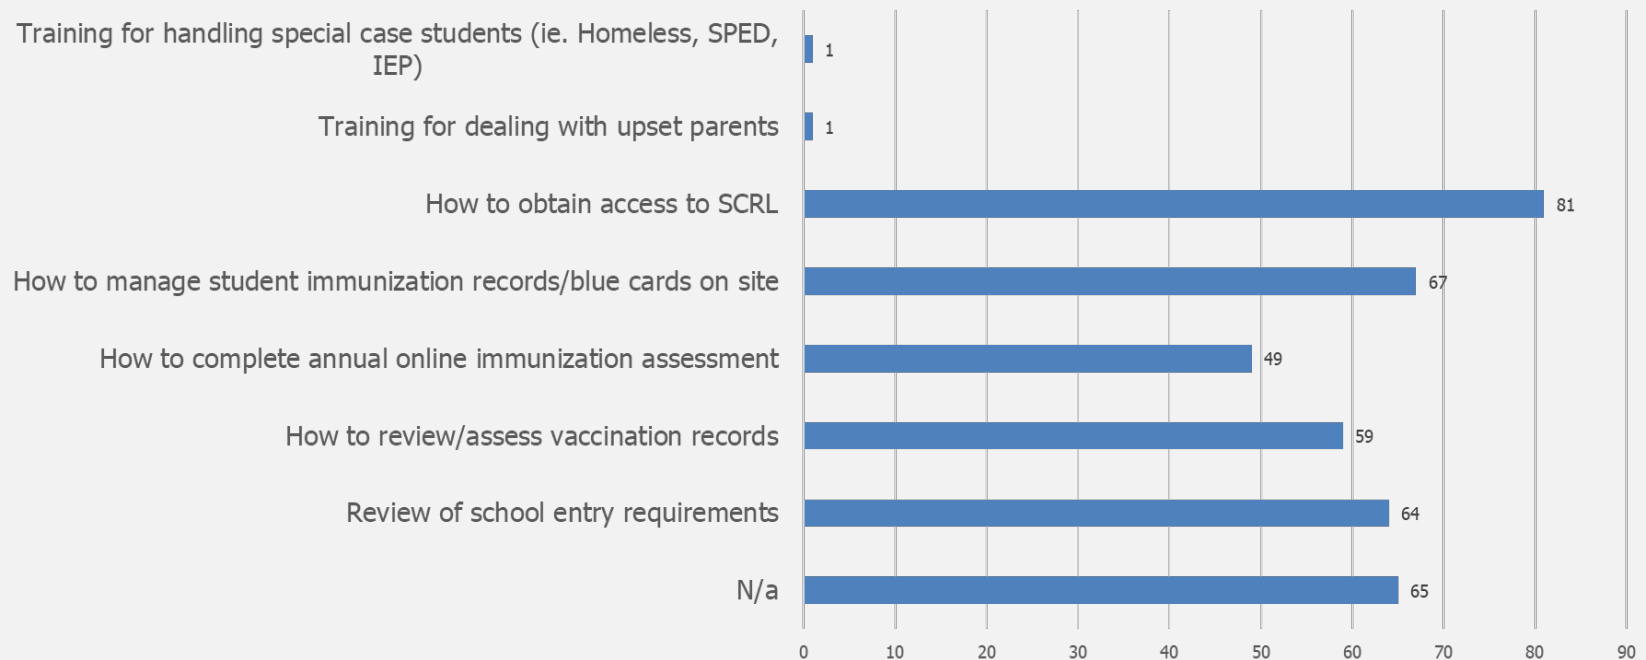

## What are the challenges or factors contributing to the high rate of kindergarten students with overdue doses?

## Are there immunization assessment-related trainings or technical assistance your team would like to receive?

## DPH Data to Action Plan for Schools (continued)

- Series of summer presentations on assessment results and action plan for staff at public, private, and independent schools
- Training series covering immunization requirements, assessment, reporting, expectations for conditional admission follow-up, navigating medical exemptions
- TA on obtaining access to CAIR (SCRL)
- TA on navigating CAIR-ME to verify medical exemption records
- In-person or virtual site-visits offering TA with review of immunization practices and records (limited schools requesting or appearing to need intensive support)

# DPH Data to Action Plan for Families

- Updated [Parents Guide to Recommended and Required Vaccinations](#) with education messages, immunization schedule, and vaccination pocket card
- Online Vaccination Site Locator for free and low-cost vaccination
- Vaccination Site Sheet by SPA
- List of vaccines in threshold languages
- Launch of interactive data dashboard with site-level data on immunization coverage and trends (August 2023)

# The School and Childcare Roster Lookup (SCRL)

- This new tool allows School and Child Care staff to check whether children meet immunization requirements based on records found in the California Immunization Registry (CAIR). Register for SCRL on the CAIR Hub: (<https://cairhub.cdph.ca.gov/home>)
- On demand webinars are available here: <https://www.immunizeca.org/scrl-webinars/>

The California Immunization Registry Medical Exemption web site is a secure site for physicians to issue and manage standardized medical exemptions for children in school or child care. Parents use the same site to request medical exemptions from vaccination for their children. Schools and child care facilities can monitor and get updates for medical exemptions issued for children in attendance.

**For Physicians**

California-licensed MDs and DOs can register to issue and manage medical exemptions in the CAIR Medical Exemption web site. Registration is quick and easy, with a real-time license validation through the California Department of Consumer Affairs.

**For Parents**

If your child needs a medical exemption, register now with an email address to request the exemption from your child's doctor. The request process is quick and easy and can be done from your mobile device. The site will walk you through each step of the process.

**For California Schools and Child Care Facilities**

California schools and licensed child care facilities can access the CAIR Medical Exemption web site once a child attending the school or child care facility has been issued a medical exemption. If your school or child care facility has received a medical exemption, you can request access by emailing [medicalexemptions@cdph.ca.gov](mailto:medicalexemptions@cdph.ca.gov)

<https://cair.cdph.ca.gov/exemptions/home>
