California Department of Education, Early Learning and Care Division. Management Bulletin 15-04 - Revised Local Child Care and Development Planning Council Funding Priority Setting Process. June 2015. The Management Bulletin provides a revised standardized child care and development funding priority setting process for Local Child Care and Development Planning Councils (LPCs). LPCs are required to use the methodology developed based on county population; Los Angeles County uses the methodology for counties with populations of over 10 million residents. LPCs must submit their local funding priorities to the California Department of Education’s (CDE) Early Learning and Care Division (ELCD) every year, on or before May 30. For more information, see <https://www.cde.ca.gov/sp/cd/ci/mb1504.asp>.
