## Introduction

The Los Angeles County Office for the Advancement of Early Care and Education (OAECE) envisions the Los Angeles County Universal PreKindergarten Partnership Directory as a valuable reference guide for building relationships, nurturing mutual understandings, and discussing strategies for the successful implementation of UPK across Los Angeles County. The educational landscape for Los Angeles County's youngest learners is evolving with the expansion of transitional kindergarten (TK) under the umbrella of Universal PreKindergarten (UPK). While the Los Angeles County Office of Education (LACOE) spearheads the UPK Planning and Implementation Grant in collaboration with Local Education Agencies (LEAs), the OAECE leads the UPK Mixed Delivery Planning Grant Program (UPKMDPGP) which strives to integrate the Early Care and Education (ECE) mixed delivery system.

The OAECE plays a pivotal role in Los Angeles County by shaping policy recommendations, facilitating planning, and offering a spectrum of services to improve the availability and quality of early care and education programs. It convenes the Los Angeles County Child Care Planning Committee (Planning Committee) also known as the Local Child Care and Development Planning Council. Per California statute, the Planning Committee acts as the Los Angeles County UPK ECE Mixed Delivery Work Group, providing guidance and direction for UPK activities. The overarching goals of the initiative are:

- Increase parents' knowledge about early education choices
- Establish local partnerships between LEAs and the ECE mixed delivery system
- Enhance partnerships to support children with special needs
- Increase supports for the early education workforce

A fundamental aspect of UPK planning involves fostering collaboration between LEAs and the ECE mixed delivery system to support all three- and four-year-old children. The OAECE, LACOE, and the Child Care Alliance of Los Angeles (CCALA) have longstanding partnerships and have collaborated on numerous initiatives to bolster the early care and education sector. CCALA serves as the anchor association for the eight Resource and Referral (R&Rs) agencies in Los Angeles County. The R&Rs provide resources to ECE providers and referrals to families seeking ECE services. In Los Angeles County, the R&R agencies include:

-  Child Care Resource Center
-  Children's Home Society
-  Connections for Children
-  Crystal Stairs, Inc.
-  Mexican American Opportunity Foundation
-  Options for Learning
-  Pathways LA
-  Pomona Unified School District
