**Data Descriptions and Sources**

**1. Estimated Number of Infants & Toddlers Eligible for Subsidized Care**

(a) Number of births recorded by CalHHS with residences reporting ZIP code assigned to ZCTA, from 2022 to 2024, multiplied by (b) the proportion of children under age six, living in households with incomes below 300% of the federal poverty plus the share of with incomes between 300% and 400% of the federal poverty line multiplied by 0.35, as estimated in 2024 ACS 5-year, table B17024.

$$(\text{births from 2022 to 2024}) * (((\text{children under six below } 300x \text{ FPL}) + (0.35 * \text{children between } 300x \text{ and } 400x \text{ FPL})) / (\text{children under six}))$$

**2. Number of Children Served in Subsidized Spaces**

Reported enrollment of children ages 0 - 2 from (1) OAECE and LACOE survey of Head Start and Title 5 contractors reporting enrollment in Early Head Start, CFCC, and CCTR and (2) CCALA reports of enrollment in CAPP and CalWORKs.

**Notes**

**Methodology for LPC Local Funding Priority Setting:**

Priority 1 : Zip code qualifies when there are 50% or more children not served AND more than 1,500 children not served.

Priority 2 : Zip code qualifies when there are 50% or more children not served AND more than 750 children not served.

Priority 3A : Zip code qualifies when there are 50% or more children not served AND more than 500 children not served.

Priority 3B : All other zip codes with any unmet need.

California Department of Education (CDE), Early Learning and Care Division (ELCD). Management Bulletin 15-04 - Revised Local Child Care and Development Planning Council (LPCs) Funding Priority Setting Process. June 2015. The Management Bulletin provides a revised standardized child care and development funding priority setting process for LPCs. LPCs are required to use the methodology developed based on county population; LA County uses the methodology for counties with populations of over 10 million residents. LPCs must submit their local funding priorities to the CDE ELCD every year, on or before May 30. For more info, see <https://www.cde.ca.gov/sp/cd/ci/mb1504.asp>. For more information about the Child Care Planning Committee Local Funding Priorities please visit our website at <https://childcare.lacounty.gov/planning-committee-2-2/>.

\* See Priority 3A in Notes.

**Data Descriptions and Sources**

**1. Estimated Number of Preschool-Age Eligible for Subsidized Care**

(a) Number of births recorded by CalHHS with residences reporting ZIP code assigned to ZCTA, from 2021 to 2022, multiplied by (b) the proportion of children under age six, living in households with incomes below 400% of the federal poverty, as estimated in 2024 ACS 5-year, table B17024.

(births from 2021 to 2022) \* ((children under six below 300x FPL) / (children under six))

**2. Number of Children Served in Subsidized Spaces**

Reported enrollment of children ages 3 & 4 from (1) OAECE and LACOE survey of Head Start and Title 5 contractors reporting enrollment in Head Start, CFCC, CCTR, and CSPP and (2) CCALA reports of enrollment in CAPP and CalWORKs.

**Notes**

**Methodology for LPC Local Funding Priority Setting:**

Priority 1 : Zip code qualifies when there are 50% or more children not served AND more than 1,500 children not served.

Priority 2 : Zip code qualifies when there are 50% or more children not served AND more than 750 children not served.

Priority 3A : Zip code qualifies when there are 50% or more children not served AND more than 500 children not served.

Priority 3B : All other zip codes with any unmet need.

California Department of Education (CDE), Early Learning and Care Division (ELCD). Management Bulletin 15-04 - Revised Local Child Care and Development Planning Council (LPCs) Funding Priority Setting Process. June 2015. The Management Bulletin provides a revised standardized child care and development funding priority setting process for LPCs. LPCs are required to use the methodology developed based on county population; LA County uses the methodology for counties with populations of over 10 million residents. LPCs must submit their local funding priorities to the CDE ELCD every year, on or before May 30. For more info, see <https://www.cde.ca.gov/sp/cd/ci/mb1504.asp>. For more information about the Child Care Planning Committee Local Funding Priorities please visit our website at <https://childcare.lacounty.gov/planning-committee-2-2/>.

**Data Descriptions and Sources**

**1. Estimated Number of School Age Children Eligible for Subsidized Care**

(a) ACS estimates of child population for age groups 5, 6-8, 9-11, and 12-14 where age 12-14 is multiplied by share of births from 2011 to 2013 that occurred in 2013, multiplied by (b) the proportion of children under age six, living in households with incomes below 300% of the federal poverty plus the share of with incomes between 300% and 400% of the federal poverty line multiplied by 0.35, as estimated in 2024 ACS 5-year, table B17024.  

$$(\text{sum of children ages 5, 6-8, 9-11} + (\text{children ages 12 - 14} * (\text{births in 2013} / (\text{births from 2011 to 2013})))) * (((\text{children ages 6 to 11} * 300x \text{ FPL}) + (0.35 * \text{children between 300x and 400x FPL})) / (\text{children ages 6 to 11}))$$

**2. Number of Children Served in Subsidized Spaces**

Reported enrollment of children ages 5-12 from (1) OAECE survey of Title 5 contractors reporting enrollment in CFCC and CCTR and (2) CCALA reports of enrollment in CAPP and CalWORKs.

**Notes**

**Methodology for LPC Local Funding Priority Setting:**

- Priority 1 : Zip code qualifies when there are 50% or more children not served AND more than 1,500 children not served.
- Priority 2 : Zip code qualifies when there are 50% or more children not served AND more than 750 children not served.
- Priority 3A : Zip code qualifies when there are 50% or more children not served AND more than 500 children not served.
- Priority 3B : All other zip codes with any unmet need.

California Department of Education (CDE), Early Learning and Care Division (ELCD). Management Bulletin 15-04 - Revised Local Child Care and Development Planning Council (LPCs) Funding Priority Setting Process. June 2015. The Management Bulletin provides a revised standardized child care and development funding priority setting process for LPCs. LPCs are required to use the methodology developed based on county population; LA County uses the methodology for counties with populations of over 10 million residents. LPCs must submit their local funding priorities to the CDE ELCD every year, on or before May 30. For more info, see <https://www.cde.ca.gov/sp/cd/ci/mb1504.asp>. For more information about the Child Care Planning Committee Local Funding Priorities please visit our website at <https://childcare.lacounty.gov/planning-committee-2-2/>.
